

GRANT LETTER

JANUARY 4, 2024

Dear Friends,

It has been our honor to support you and the work of your organization. We are writing to inform you of some changes to the Lacewing Foundation grant process. Beginning January 4, 2023, Lacewing has added grant request requirements and revised the grant request form.

All grant requests must arrive at Lacewing by October 31. Each request must include all documentation necessary for your submission. NOTE: Any late submission or any application with information missing must be rejected.

Any organization submitting a grant request must have an overall budget of under 2 million dollars (\$2,000,000USD)

Grants will be limited to a maximum of \$15,000USD each.

If you are a RETURNING GRANTEE, you will need to include a bullet point summary of your previous year's accomplishments with your grant application documentation.

Approved grants will be disbursed during December. Occasionally, we can approve returning grantee requests for early distribution based on matching funds programs, or school year constraints.

All grants are for one year only.

We are grateful to you for your work with women and children's health and education projects. Organizations like yours are bringing about change in the world. We appreciate your interest in working with the Lacewing Foundation.

Sincerely,

Mary Williams

Lacewing Foundation
